

YOU CAN HEAL YOUR LIFE MOVIE ON 3 FEBRUARY 2009

I have the pleasure to invite you to see the “YOU CAN HEAL YOUR LIFE MOVIE” on Tuesday 3 February. It is my gift to you Free of charge because it is my desire for you to get to know Louise Hay as she was such an important person in my life and I want to share it with the whole world if I can. You are the first ones to be invited to see the movie at Life Motivations. Registration is necessary.

Don't miss the chance to watch this moving inspirational movie, it could change your life like it has so many others.

It is the true life story of Louise Hay in which she lets us into her life and her private traumas and shows how her views on self-esteem, abundance and metaphysical causes behind the physical ailments were developed through her own suffering. Lots of “how” questions are answered and it all makes sense. All of a sudden, someone has flipped the light switch.

The movie also features Wayne Dyer “the power of intent”, Esther and Jerry Hicks “the teachings of Abraham”, Candace Pert, also featured in “The Secret”, Cheryl Richardson, Doreen Virtue, Gregg Braden, Mona Schulz, Christine Northrup, Gay Hendricks, and Leon Macson. They all share the same by-line “YOU CAN HEAL YOUR LIFE” and “YOU CAN DO IT”.

You just need to watch the movie for the first time, and then time and time again and put these wise old ideas into practice.

I will give a very brief talk on how I met Louise and how her work changed my life.

Please book now as there will be a waiting list and please let us know if you cannot come as we can give your space to someone else.
